Perfil Studio mk27

O studio mk27, localizado na caótica cidade de São Paulo, foi fundado no final dos anos 70 pelo arquiteto Marcio Kogan e hoje é composto por 30 integrantes e vários colaboradores pelo mundo afora. Os arquitetos da equipe, grandes admiradores da geração do modernismo brasileiro, procuram cumprir a tarefa de repensar e dar continuidade a este icônico movimento arquitetônico. Os projetos do studio mk27 valorizam a simplicidade formal e são elaborados com extrema atenção aos detalhes e acabamentos.

Kogan é membro honorário do AIA (American Institute of Architects), professor da Escola da Cidade e da Politecnico di Milano, considerado pela revista Época uma das 100 pessoas mais influentes do Brasil, faz parte da lista "The Wallpaper* 150 Famous for 15 Years" e foi considerado o 39º da "Hot List" da Dezeen em 2017. Lidera um time de arquitetos que, em grande parte, trabalha com ele há mais de uma década. Desde 2001, quando começou um sistema de cocriação e trabalho cooperativo, o studio mk27 já ganhou mais de 250 prêmios nacionais e internacionais, tais como: IAB, Bienal de Arquitetura de São Paulo, WAF, Architectural Review, Dedalo Minosse, Record House, LEAF, D&AD, Spark, Barbara Cappochin, Iconic, AZ, Bienal Iberoamericana, Bienal de Arquitetura de Buenos Aires e Wallpaper Design Award.

A equipe do studio já deu palestras na Royal Academy of Arts, AIA, Société Française Des Architectes, Clubovka, FAU-USP, Mack, FAAP, Politecnicos di Milano, Mantova, Verona, Valencia, South Florida, Rice, The University of Texas e Cornell, entre outros. Em 2012 o studio mk27 representou o Brasil na Bienal de Veneza, e isso significou alguns quilos a mais na turma de 10 arquitetos que foram passear de gôndola.

Studio mk27 Profile

Studio MK27 located in the chaotic city of São Paulo was founded in the late 70's by architect Marcio Kogan and today is comprised of 30 architects and various collaborators worldwide. The architects of the team, great admirers of the Brazilian modernism generation, seek to fulfill the task of rethinking and giving continuity to this iconic architectural movement. The projects of Studio MK27 place value on formal simplicity and are elaborated with extreme care and attention to details and finishings.

Kogan is an honorary member of the AIA (American Institute of Architecture), Professor at Escola da Cidade in São Paulo and Politecnico di Milano, considered by Época magazine as one of the 100 Most Influential persons in Brazil, is part of "Wallpaper's 150 Famous for 15 Years", and came in 39th in Dezeen's Hot List 2017.

He leads a team of architects who, for the most part, have been working with him for over a decade.

Since 2001, when he started a co-creation and cooperative work system at the office, studio mk27 has won more than 250 national and international awards, such as: IAB (Institute of Brazilian Architects), São Paulo Architectural Biennial, WAF, Architectural Review, Dedado Minosse, Record House, Leaf, D&AD, Spark, Barbara Cappochin, Iconic, AZ, Buenos Aires Ibero-american Architectural Biennial and Wallpaper Design Award.

The Studio team has lectured at the Royal Academy of Arts, AIA, Société Française des Architectes, Clubovka, FAU-USP, Mackenzie, FAAP, Politecnico di Milano, Mantova, Verona, Valencia, South Florida, Rice, The University of Texas and Cornell universities among others. In 2012 studio mk27 represented Brazil at the Venice Biennale, which meant some extra kilos for the group of 10 architects who went for a gondola ride.
